HOW TO READ THE SCHEDULE

Beginner (Beg.): No dance experience.
Beg./Int.: Advances from basic steps & technique to advanced patterns. The I and II indicates the classes will progress & may culminate with an evening demo. The initial (F, CS, M, S, R or RT) following the workshop description indicates the instructor's name (see bios on reverse).

HOW MUCH CAN I DO?

Attend only one workshop - or do up-to-three workshops each four days or only evening classes and/or just evening dances or Sunday Milonga.

WHERE DO YOU BELONG?

Unless you attend classes and regularly practice, you are a beginner.
